

Luxury Contract

*P*regno's new collection "Luxury" is expression of an authentic and original productive atmosphere which combines tradition and innovation, ancient roots and contemporary thoughts. In this collection we may catch the sense of harmony which connects, just like an imaginary bridge, persons to products. But the peculiarity of Pregno's products is not only this : projects are intended to reach a beauty which doesn't stop only on the surface, on the visual impression, but it fills with quality contents, to succeed in fixing objects with own soul, which satisfy not only eyes, but especially hearts. Home becomes an ideal stage for a fantastic and sophisticated way of life.
